Education

2021	Your students today, leaders tomorrow. CTD Training, Giga IH Catania Coaching Techniques for Language Teachers to Enhance Teenagers' 21st Century Competencies
<i>Course content:</i>	This course looked at helping students develop their confidence and leadership qualities. It looked at 21 st century skills such as; team-working, public speaking and presentation skills.
2019	English theatre teacher training - Miranda Flynn Legge Using theatre techniques in teaching English
<i>Course content:</i>	This course looked at storytelling and theatre techniques to engage learners in learning English.
2018	Youth Mindfulness, Bristol, U.K. Teaching mindfulness to children
<i>Course content:</i>	This experiential course looked at how we can enable children to develop their innate capacities of awareness, resilience and compassion. We looked at the principles and pedagogy underlying the lessons and course structure and explored the science behind the approach. The lessons teach children through fun, dance, meditation and reflection.
2017	FutureLearn in conjunction with Common Purpose Charitable trust Cultural intelligence and management course
<i>Course content:</i>	This course looked at developing skills to lead and manage in different cultural contexts. It looked at evaluating diversity and recognizing its role in innovation and problem solving.
2017	FutureLearn in conjunction with The Chartered Management Institute (CMI) Management and leadership – leading a team
<i>Course content:</i>	This course looked at communication and how to build and maintain relationships with all stakeholders of an organization. It was based on case studies and looked at planning, SWOT analysis, business plans. The main part of the course looked at recruitment and selection, performance management, coaching and motivation.
2016	FutureLearn in conjunction with Monash university Mindfulness for wellbeing and peak performance

<i>Course content:</i>	This course looked at the impact mindful practice can have on our lives. We reflected on mindful stress reduction and managing our emotions, techniques to improve work and study performance, mindful communication and its effect on empathy and relationships.
2016	FutureLearn in conjunction with the British Film Institute Teaching literacy through film
<i>Course content:</i>	This course was designed to look at and study a variety of ways to use film in class to raise attainment in reading and writing including visual storytelling, inference and deduction through setting, character and colour. We also looked at visualisation, interpretation, and developing writing through the use of film sound. The materials used were from Into Film , which is a UK-wide film and education charity, which puts film at the heart of children and young people's learning, contributing to their cultural, creative and personal development.
2015	FutureLearn in conjunction with Lancaster University, U.K. Foreign language teaching to dyslexic students
<i>Course content:</i>	This course was designed to better understand the nature and causes of dyslexia to identify students' difficulties in language learning and develop effective means to accommodate dyslexic students' needs. The course included such points as; the use of technology, mind-mapping, classroom management, visual and auditory processing.
2014	International House World Director of Studies Course
