Hello Ms Virna,

Thank you very much for your message. I really appreciate your flexibility, however our project has undergone some changes and there will only be 5 of us coming to Dubrovnik and we would all like to register for the Cultural heritage education: Experiential learning on the case study of Dubrovnik, Croatia course Sept. 8 - 12, 2025.

As our school must place the order for the course, could you kindly send the registration form/invoice the school email address and copy it to me?

I would also appreciate the course program and timetable.

The names of the attendees are: Paola Ammazzalorso, Paola Cognigni, Adelaide De Angelis, Gloria Di Prodi, Cheti Traini.

Please refer to our project "PNRR\_2024-1-IT02-KA122-SCH-000238855 - "ERASMUS+: Il programma Erasmus+ Azione Chiave 1 KA122-SCH - Short-term projects for mobility of learners and staff in school education (KA122-SCH)" – "Dimmi da dove vieni – Racconto multimediale della nostra città" in your quote/invoice.

Here is our school data: Liceo Scientifico T. C. Onesti  
Via dei Mille, 2  
63900 Fermo  
ITALY

OID: E10190292

Dear Ms Paola

I just spoke with our director of studies and bring good news 😊

It is possible for us to welcome your group of 6 teachers on our courses in Dubrovnik, exactly like you want:

- 4 participants on Latest Digital, ICT & AI Solutions for Educators: Transform Teaching with Technology, ChatGPT, DeepSeek, Multimedia, Storytelling, Game-Based Learning & Smart Assessment Strategies
- 2 participants on Cultural heritage education: Experiential learning on the case study of Dubrovnik, Croatia

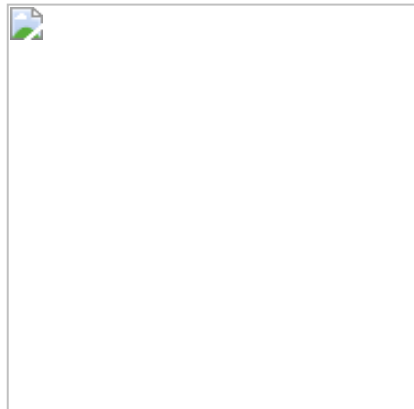

It is both possible, from 8-12 September and from 9-12 September - whichever option suits you best in terms of arrival it is acceptable. Let us know how you officially want to enroll 😊

Thank you in advance for your reply.

Sending you warmest regards from sunny Croatia,  
Mirna Vojnović

Dear Ms Paola,

thank you for your prompt response!

We are pleased to let you know that in case of 6 participants total (3 for *Latest Digital, ICT & AI Solutions for Educators: Transform Teaching with Technology, ChatGPT, DeepSeek, Multimedia, Storytelling, Game-Based Learning & Smart Assessment Strategies* & 3 for *Cultural heritage education: Experiential learning on the case study of Dubrovnik, Croatia*) we can absolutely organize both courses for your group for 8-12 September course week in city of Dubrovnik.

Do you already happen to know all names of participants or are you still waiting to make a selection?

Course fee would be  $400 \times 6 = 2400.00$  EUR total.

The course venue would be at this address: [Ul. don Frana Bulića 4, 20000, Dubrovnik](#) (10 minutes from Stradun street - the main street in Dubrovnik city centre, within the old city walls). Here is that location on Google maps: <https://maps.app.goo.gl/wNYTyr1JNT1N38XcA>

Thank you in advance for your reply,

Hello,

We have a group of 6 teachers who would like to attend 2 courses in Dubrovnik Sept. 8 - 12. The courses are: *Latest Digital, ICT & AI Solutions for Educators: Transform Teaching with Technology, ChatGPT, DeepSeek, Multimedia, Storytelling, Game-Based Learning & Smart Assessment Strategies and Cultural Heritage Education.*

Are these two courses confirmed? If so, we would like to register/place a group order through our school. How can we do that?

I await your response.

Regards,

Paola Ammazalorso

Dear Ms Paola,

we are reaching out to you today in regards to your interest in *Latest Digital, ICT & AI Solutions for Educators: Transform Teaching with Technology, ChatGPT, DeepSeek, Multimedia, Storytelling, Game-Based Learning & Smart Assessment Strategies* for which you made a preregistration for 8-12 September course date in city of Dubrovnik, Croatia.

We wish to be completely transparent and let you know that at the moment the course is not confirmed to take place.

Because of that, we would like to suggest you 2 alternative course options for 8-12

September course week in Dubrovnik.

They are the following:

- [The Resilient Educator: Mindfulness Tools for Teachers to Prevent Burnout and Foster Connection, Creativity, and Well-Being in Education](#)
- [Improving English Language Skills](#)

In addition to that, we are pleased to offer you the same course *Latest Digital, ICT & AI Solutions for Educators: Transform Teaching with Technology, ChatGPT, DeepSeek, Multimedia, Storytelling, Game-Based Learning & Smart Assessment Strategies for the same date, 8-12 September 2025* but in city of Split, Croatia

Please let us know what works best for you! We want to ensure you feel comfortable with whichever option you choose.

Additionally, if you are interested in August or mid/late September date for this course please don't hesitate to ask - we can offer you many options 😊

If anything isn't clear or you have any additional questions, please don't hesitate to ask, we are here to answer any question you may have to help you realize this Erasmus+ mobility.

Looking forward to your reply!  
Mirna Vojnović
