Dear Salvatore Antonio Rinaldi

We are pleased to confirm that **Istituto Di Istruzione Secondaria Superiore J. M. Keynes** has completed the process to register as a Cambridge International School.

Welcome to Cambridge Assessment International Education, we are delighted that you are now part of our global community!

Please find attached a certificate confirming your status as a Cambridge International School.

Getting started

As a registered Cambridge school, you have access to an extensive range of teaching and learning resources to help you deliver our programmes and qualifications.

Support sites**School Support Hub**

The [School Support Hub](#) is our secure online support site that contains over 30 000 high-quality teaching and learning resources for Cambridge Upper Secondary and Advanced qualifications. These include Teacher Guides, schemes of work, past papers and example candidate responses.

On the [School Support Hub](#) you will find the Getting started with Cambridge area.

This is the best place to start as a new Cambridge school. It provides an overview of all the resources and support we have available for our schools, teachers, learners and exams officers. You'll find information on:

- [Getting started with Cambridge](#)
- [Teaching support](#)
- [Promoting your school and marketing support](#)
- [Professional development and training](#)

Please look through this area thoroughly and share it with your teachers.

Accessing the support sites

Over the next few days, we will send login details for the support sites.

Daniela Campanella will be set up as the coordinator on the School Support Hub and is responsible for creating and managing accounts for teachers at your school from the School Support Hub. We encourage you to create an individual user for every teacher in your school. Users can access all our support sites using the same login details.

BOIS00800D - BOIS00800D - REGISTRO PROTOCOLLO - 0006666 - 11/10/2023 - I.6 - E
Access to the support sites, and the resources available on them, is limited to Cambridge International schools and should not be shared with anyone outside of your school.

Support for exams officers

Your exams officer, **Mila Freddi**, will also have access to **Cambridge International Direct (CI Direct)**. This is our online tool for exams officers where they can access support and manage entries, timetables, results and more.

We will email login details for CI Direct to the exams officer in the next few days. These details must be kept secure. If the exams officer forgets the password, they need to email info@cambridgeinternational.org.

Next Steps

You will shortly receive a Welcome pack that contains some key documents, including the Cambridge Handbook and Code of Practice. This should arrive within three weeks, please let us know as soon as possible if your school is not able to accept deliveries. Please note that we are refreshing the look and feel of our brand to better reflect the offer that we provide to schools and anticipate the despatch of your newly branded Cambridge International School plaque in November 2023.

If you have any questions, please contact our Customer Service team: info@cambridgeinternational.org or +44 (0)1223 553554. We look forward to a long and successful relationship with your school.

In order for us to improve our services, we would like to ask for feedback on your experience of the School Approval process. Please [click here](#) to complete our survey, which should only take 1 minute.

Kind regards

Fiona Tomkins

Senior School Approval Officer

Cambridge Assessment International Education
