Dear families,

In September, you and your children will begin a new adventure: that of nursery school.

With this letter, we are pleased to welcome you and give you an advance look at the schedule for the first month of attendance, so that we can share our plan with you and allow you to better assess your family organisation.

We teachers consider the settling-in period to be a fundamental moment to be experienced calmly, respecting the times and needs of the girls and boys. For this reason, we would like to give you a preview in this letter of the times in which it is structured, on the understanding that in September we will meet and have the opportunity to talk about it together and answer any questions you may have.

The girls and boys will be divided into two groups, depending on the number of children in the section.

In the week from 15 September to 18 September:

- the 1st group will attend from 8:30 am to 10:00 am
- the 2nd group will attend from 10:30 am to 12:00 pm

in the week from 21st to 25th September, all the girls and boys in the section will attend from 8.30 am to 12.00 pm without lunch at school.

In the week from 28th September to 2nd October, everyone will have lunch at school.

From 5th October, attendance will be regular according to the timetable requested by families at the time of enrolment.

The timetable is purely indicative; however, thanks to their professionalism and experience, the teachers will be able to propose a change in the times based on the situation of each individual child.

More information on settling in, school supplies and the organisation of the school will be provided at the September meeting, which will be held on the following days:

WEDNESDAY 9th SEPTEMBER:

6:00 PM - 7:00 PM: "C'ERA UNA VOLTA" NURSERY SCHOOL;

6:00 PM - 7:00 PM: "IL GIROTONDO" NURSERY SCHOOL;

6:00 PM - 7:00 PM: "IL PAESE DEI BALOCCHI" NURSERY SCHOOL;

6:30 PM - 7:30 PM: "LA CASETTA NEL BOSCO" NURSERY SCHOOL;

6:00 PM - 7:00 PM: "IL GRILLO PARLANTE" NURSERY SCHOOL.

During this holiday period that separates us, we invite you to read with your daughters and sons the following book: "La Scatola" by Isabella Paglia, ed. La Margherita, chosen in collaboration with the educators of the educational services, which we teachers will reread at school as a shared reading moment.

A strong collaboration has been established between the early childhood educational services and the nursery schools, which has been fully implemented within the continuity project carried out with the aim of facilitating the transition between the two educational contexts.

Thank you for your attention and cooperation.

The school principal of Istituto Comprensivo Fucecchio : professor Angela Surace
