### **Program of the day (17 October 2025)**

**9H00-10H : getting to know each other**

- Introducing the partners
- Brief explanation of what we do in our schools
- Presentation of the Erasmus project that financed this preparatory visit

**10H00-11H : visit of a FSE group. (FSE = French as a second language)**

- Claudia tells the students who the Italian delegation is and why they are here (French language to facilitate understanding of the students)
- Few minutes of participation during the lesson
- The Italian delegation asks the students and the teacher, in class at that moment, very general information about the way the learning time is organized

**11H00-12H30 : debriefing**

- In Frederic's office, the delegation for the preparatory visit + quality manager + teachers of French as a second language exchange about what Mariella observed. In this discussion we may highlight the similarities and differences between the two school systems and between the sending and the hosting school.

**12H30-14H00 : lunch offered by Thomas Edison Institute**

**14H00- 15H00**

- Visit of our school and description of our "projet concomitant" (alongside project). While studying French, migrants can start a qualifying training
- Visit of the campus

15H00-17h00 : Preparation of the student's visit

- Logistics
