Le coppie

Lista 1	Lista 2
Oppedisano – Manfredi	Barillari – Alosa
Macchitella – Varano	Pisani – Maiorano
Lucente – Benincasa	Buttà – Chiaravalloti
Scarpelli – Marrazzo	

Come funziona

• **7 coppie** (4 della Lista 1, 3 della Lista 2), **25 classi** della sede centrale (Piano Terra e 1° Piano), in **un'unica giornata: venerdì 23 ottobre**.

• Ogni coppia entra in **ogni classe** per **massimo 5 minuti**, dalla **2ª ora** (9:00) in poi.

• **Le coppie lavorano in parallelo**: mentre una coppia è in una classe, le altre sono in classi diverse. In ogni classe una sola coppia alla volta, e le coppie arrivano **distanziate** (almeno 15 minuti tra una coppia e l'altra).

• **Nessuna visita durante la ricreazione (10:45–11:05)**: le coppie si fermano e riprendono alle 11:05.

• 6 coppie partono alle 9:00 da classi diverse e fanno tutto il giro (Piano Terra poi 1° Piano, in ordine di percorso). Oppedisano–Manfredi hanno compito alla 2ª ora (9:00–9:55) e Buttà–Chiaravalloti dalle 11:05 alle 11:50: queste due coppie si inseriscono negli spazi liberi, quindi finiscono un po' dopo le altre.

• Ogni cambio classe dura 7 minuti: 5 di intervento e 2 per spostarsi o cambiare piano.
