WORK EXPERIENCE

Present BELL Beyond – English as a Foreign Language Teacher

I currently work for BELL Beyond as an English as a Foreign Language Teacher, working all around Italy teaching English through interactive and stimulating activities. I work with all different age groups and different levels of English throughout. I plan creative, entertaining and diverse lesson plans that encourage students to improve their English while having fun.

Aug 2018 – Sept 2018 BELL Beyond – Summer Camp Tutor

- Taught English to young students across Italy in an exciting and engaging summer camp setting
- Led students through various activities, songs, games and fun while progressing their English language

Aug 2017 – Jun 2018 Teacher, Memorial Elementary School

- Facilitated the academic growth, social development, and active play of first graders, ages 5-7
- Worked directly with students to accommodate special academic and behavioural needs in collaboration with a behavioural specialist
- Improved in-class participation from mere minutes to a full day of school for a behaviourally challenging student
- Achieved the highest possible personnel reviews from administration and staff

Jun 2017 – Jul 2017 Teacher, Memorial Elementary Summer School

- Promoted educational and social progress by incorporating classroom games and science experiments in a kindergarten classroom, ages 5-6
- Assisted students with disabilities including autism spectrum disorder, generalized anxiety disorder, ADHD, as well as learning and developmental disabilities

May 2017 – Jun 2017 Substitute Teacher, Bedford School District

- Implemented lesson plans and helped students with assigned tasks in kindergarten through high school classes; ages 4-18

Feb 2017 – Mar 2017 English Teacher, TEFL, France

- Taught English to beginner, intermediate, and advanced adolescent and adult English learners
- Designed specific lesson plans to fit the needs of students

Jul 2014 – Nov 2014 English Teacher, TEFL, Bhutan

- Taught English to intermediate English learners, forty children ages 9-15
- Developed lesson plans that encompassed speaking, listening, writing, and reading
- Guided students through the process of writing, editing, reading, and performing their own plays
