

The screenshot shows a web browser window displaying the 'acquistinretepa' website. The browser's address bar contains the URL: `acquistinretepa.it/opencms/opencms/vetrina_iniziativa.html?filter=CO#!#post_call_position`. The website header includes the logo 'acquistinretepa' and navigation links: 'Chi siamo', 'Area mostrogatori', 'Acquista', 'Vendi', 'Supporto', and 'Intra nel portale'. Below the header, there is a banner for 'Iniziativa di acquisto' with the subtext 'Seleziona l'iniziativa per soddisfare i tuoi esigenze'. The main content area features a grid of four procurement initiatives, each with a colored header, a brief description, a 'Servizi' icon, and a 'Attiva' button. The initiatives are: 1. 'Lavori di Manutenzione' (green header, 3 items), 2. 'Servizi di gestione integrata delle trasferte di lavoro 4' (red header, 1 item), 3. 'Servizi postali' (teal header, 4 items), and 4. 'Vigilanza Armata 2 - Città Metropolitanità di Milano' (olive header, 2 items). To the right of the grid is a sidebar with a search bar and a list of filters. At the bottom of the browser window, a Windows taskbar is visible, showing the system tray with the date '18/04/2024' and time '13:50'. A small red notification box is also present at the bottom of the page content.
