

Fai clic su **Apri Webex** se richiesto. Altrimenti, fai clic su **Avvia riunione**.

The image shows a browser window titled "Webex Meetings Web App". Inside the window, there is a prompt box with the "webex by CISCO" logo on the left. The prompt text reads "Open Webex?" followed by a checkbox labeled "Always open these types of links in the associated app". Below the checkbox are two buttons: "Cancel" and "Open Webex".

Below the browser window, the following text is displayed:

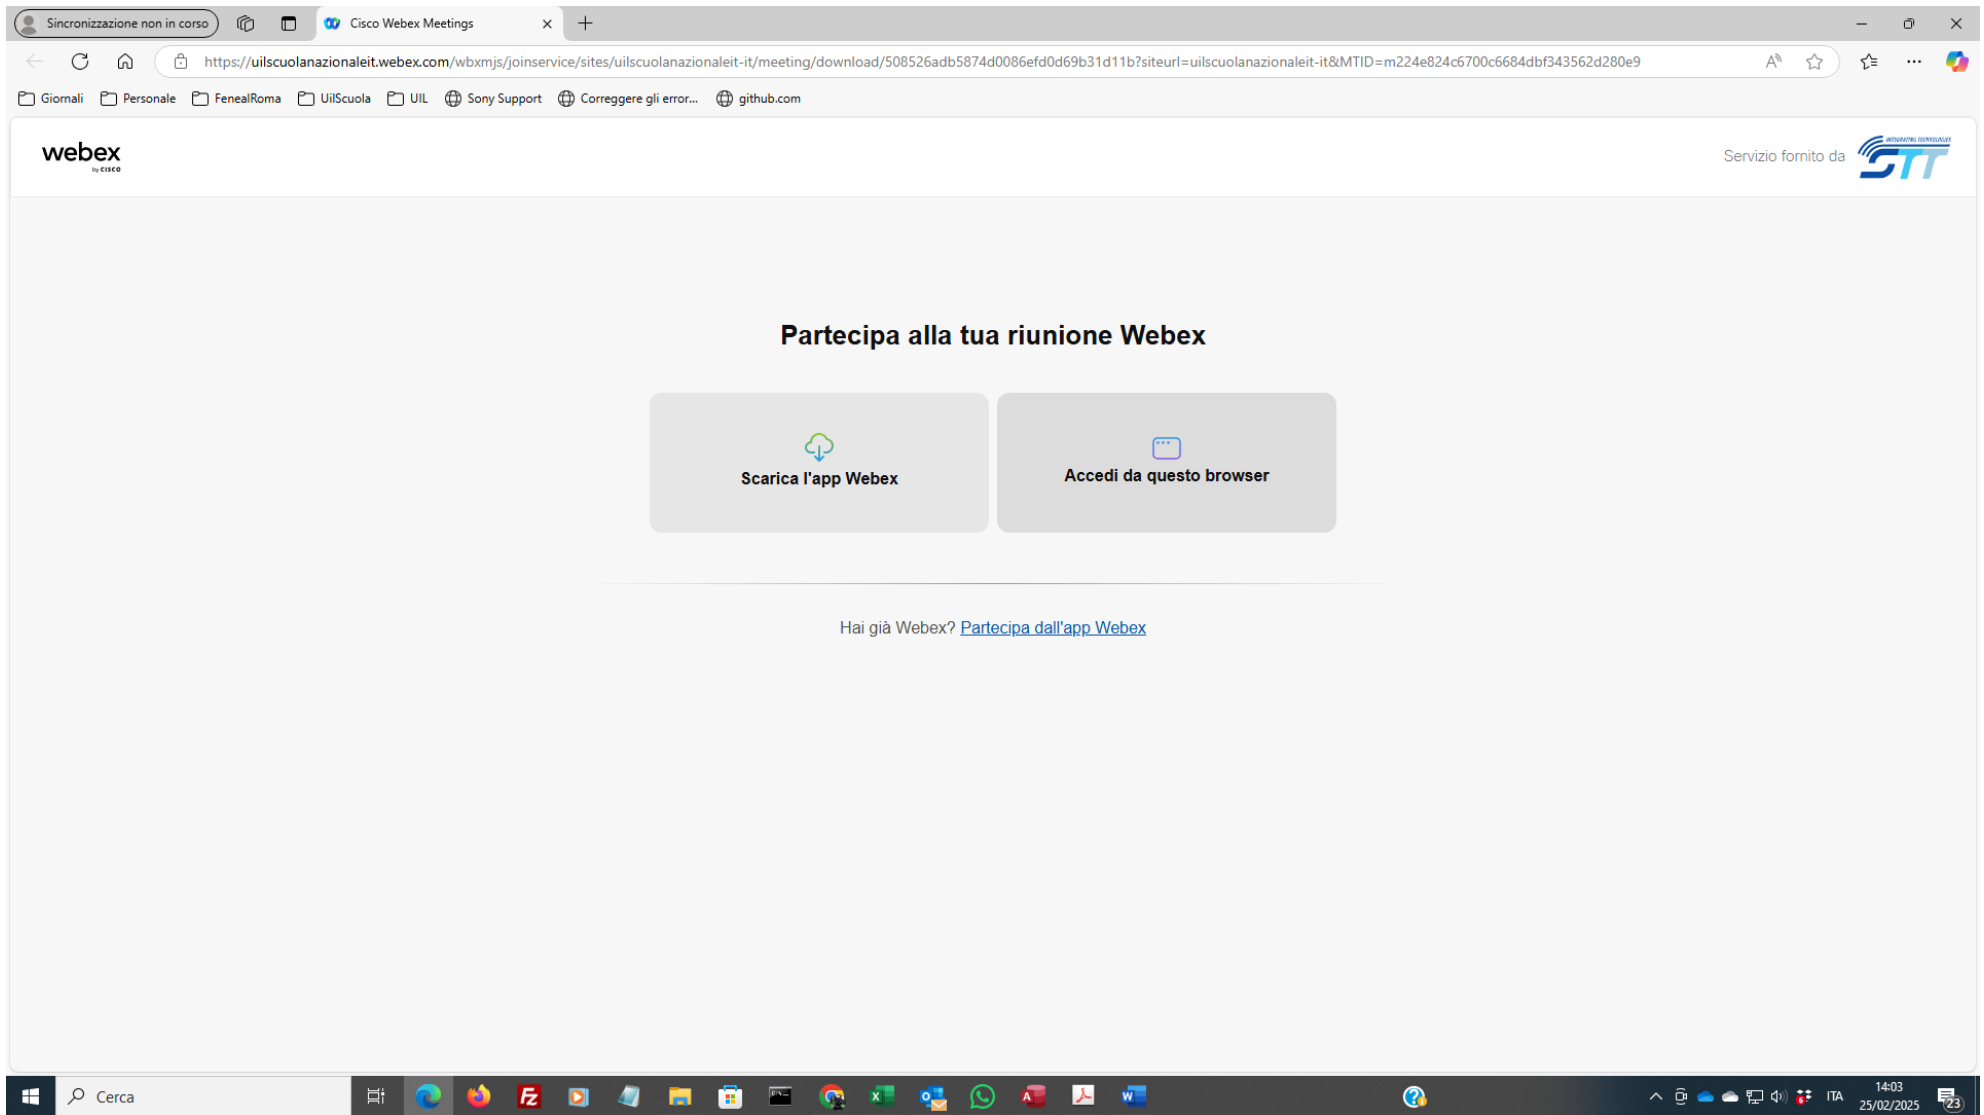

Click **Open Webex** on the prompt.  
If the prompt doesn't appear, click **Launch Meeting** instead.

Below this text is a blue button labeled "Launch meeting".

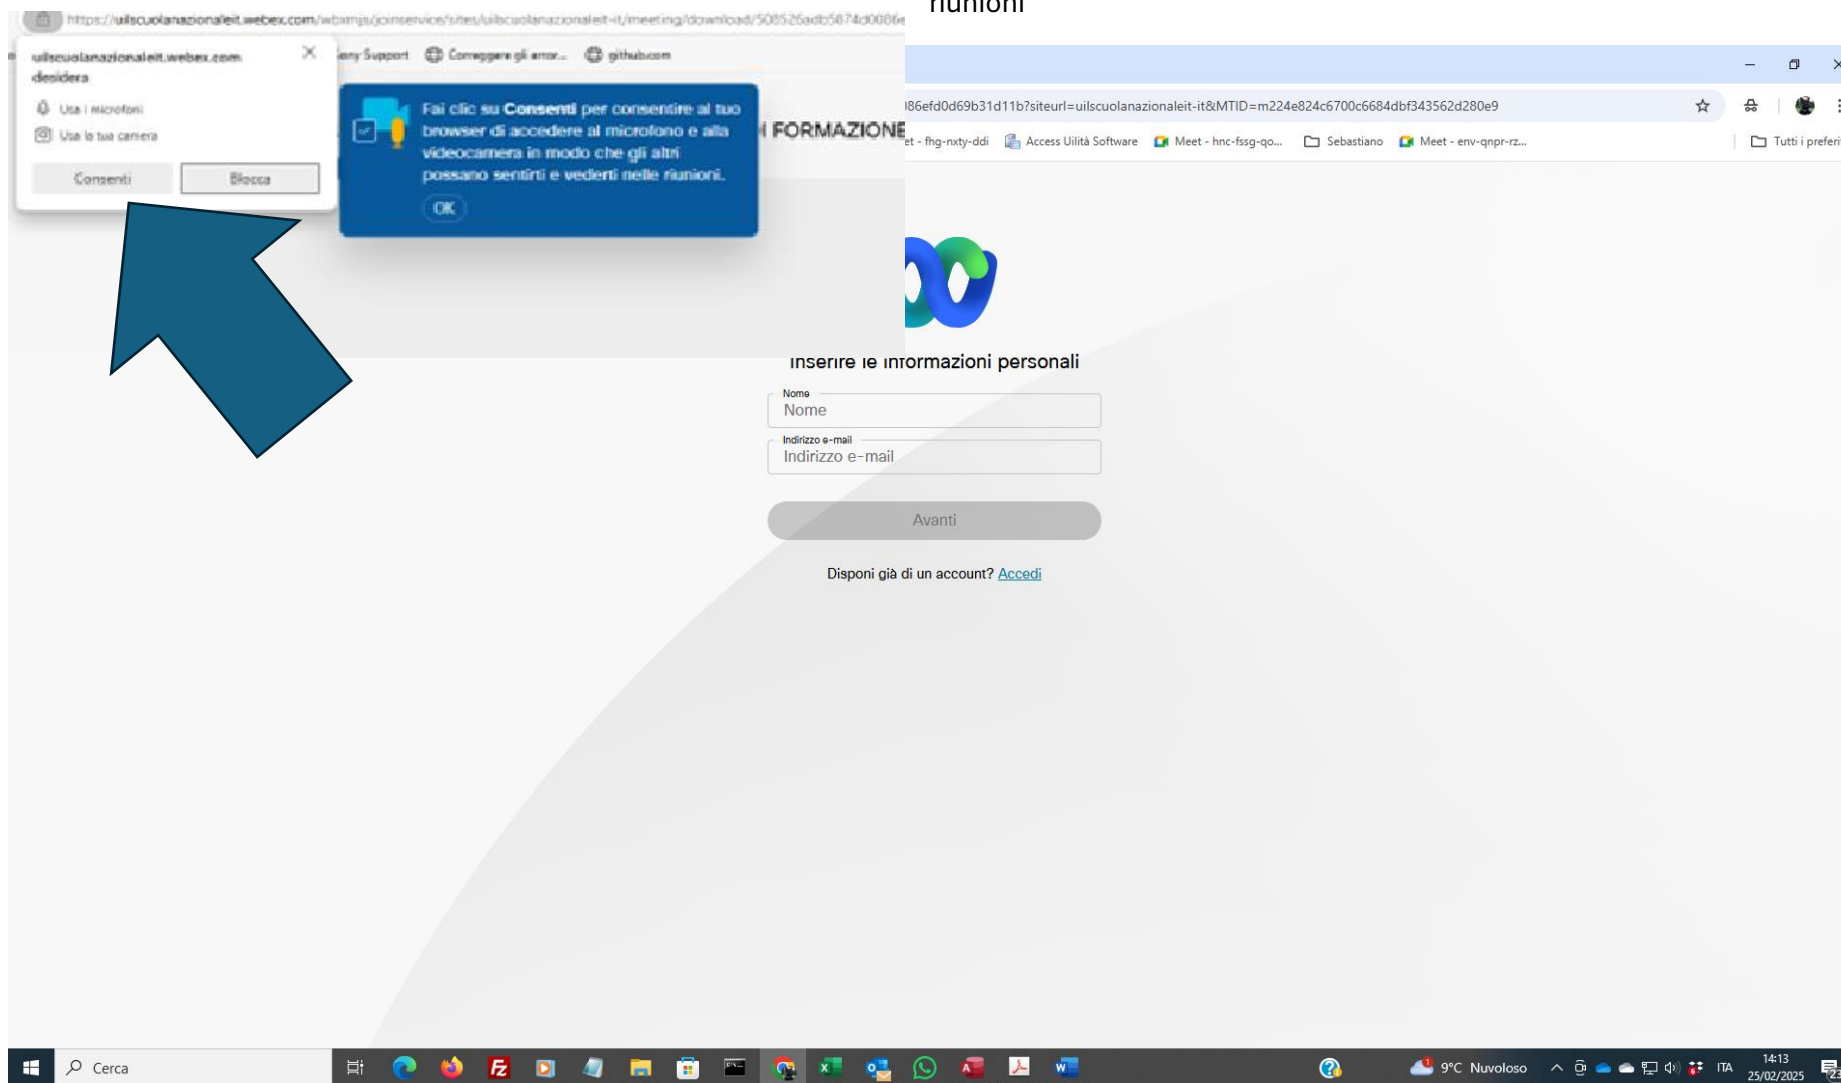

At the bottom, there are two lines of text with links:

Didn't work? [Download the app again.](#)  
Having trouble with the app? [Join from your browser.](#)

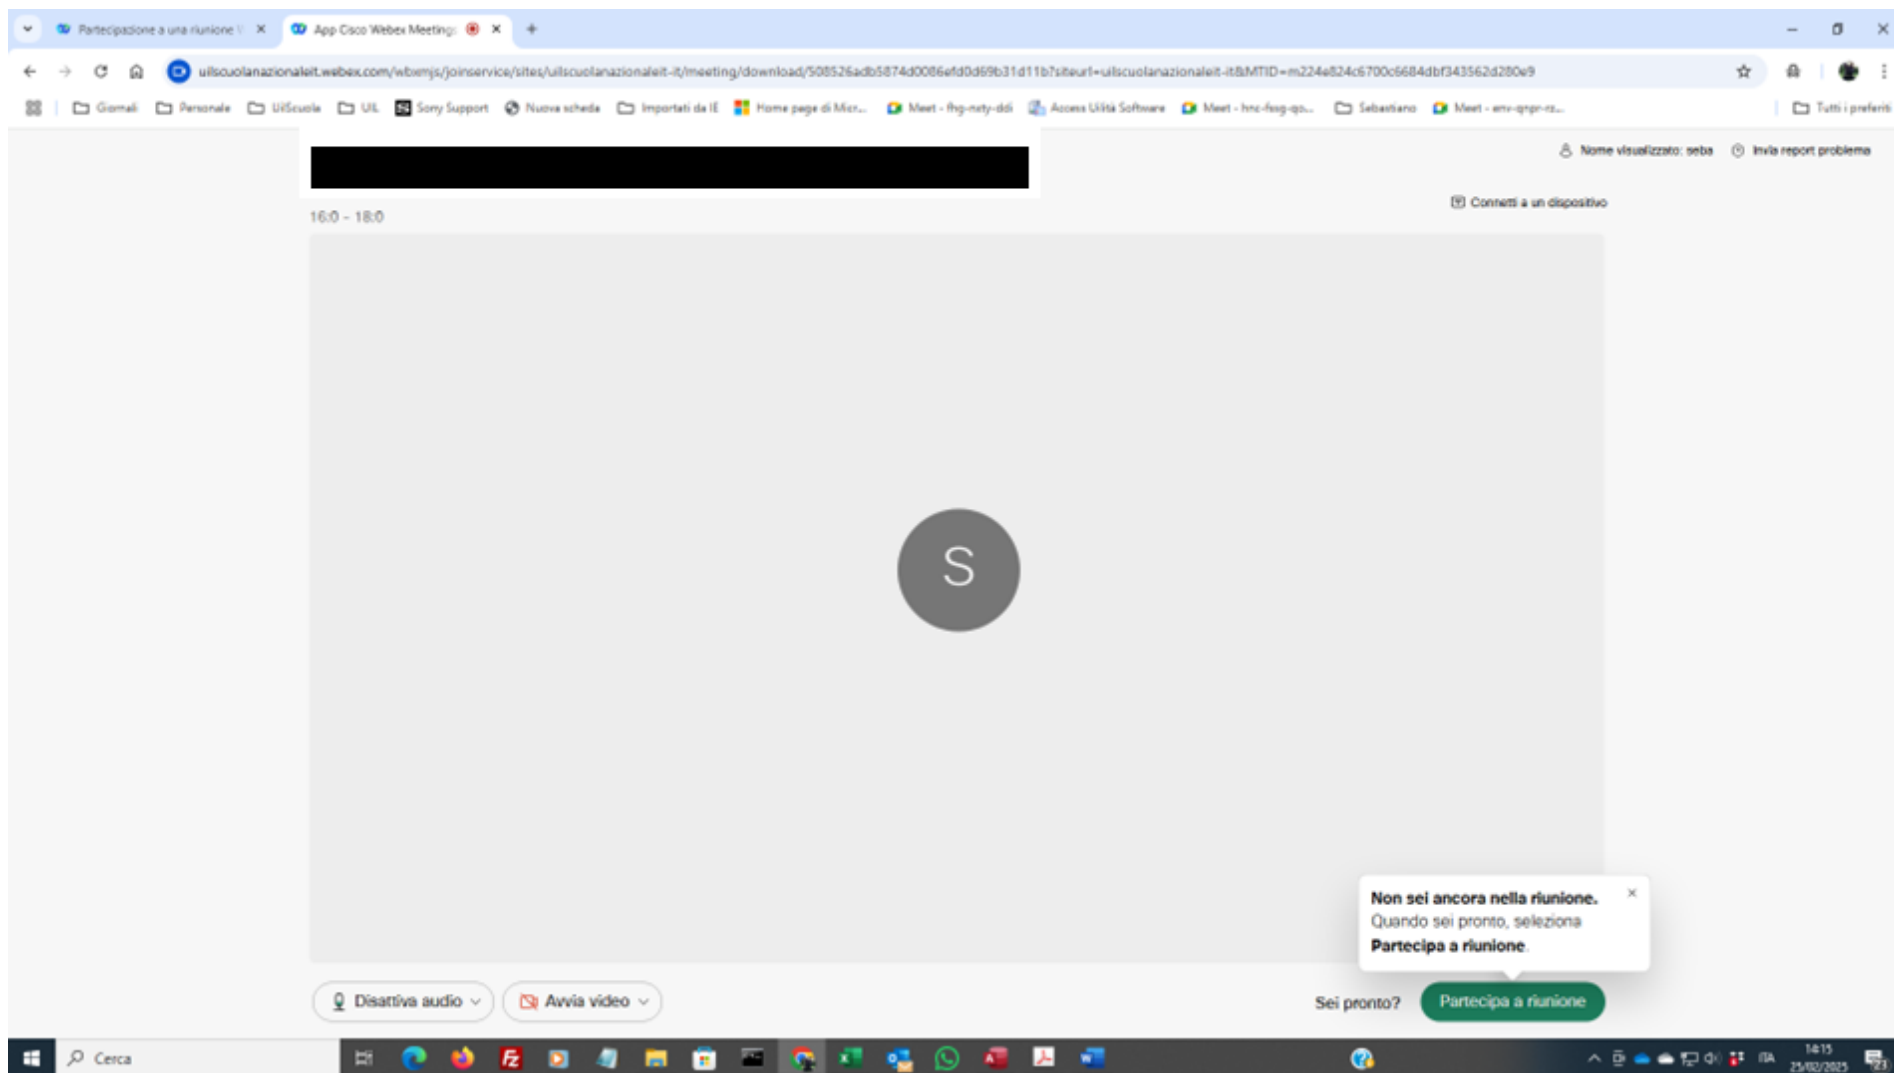

Una volta cliccato sul link di partecipazione alla riunione, sceglie come partecipare o tramite App Webex o tramite browser (consigliato)

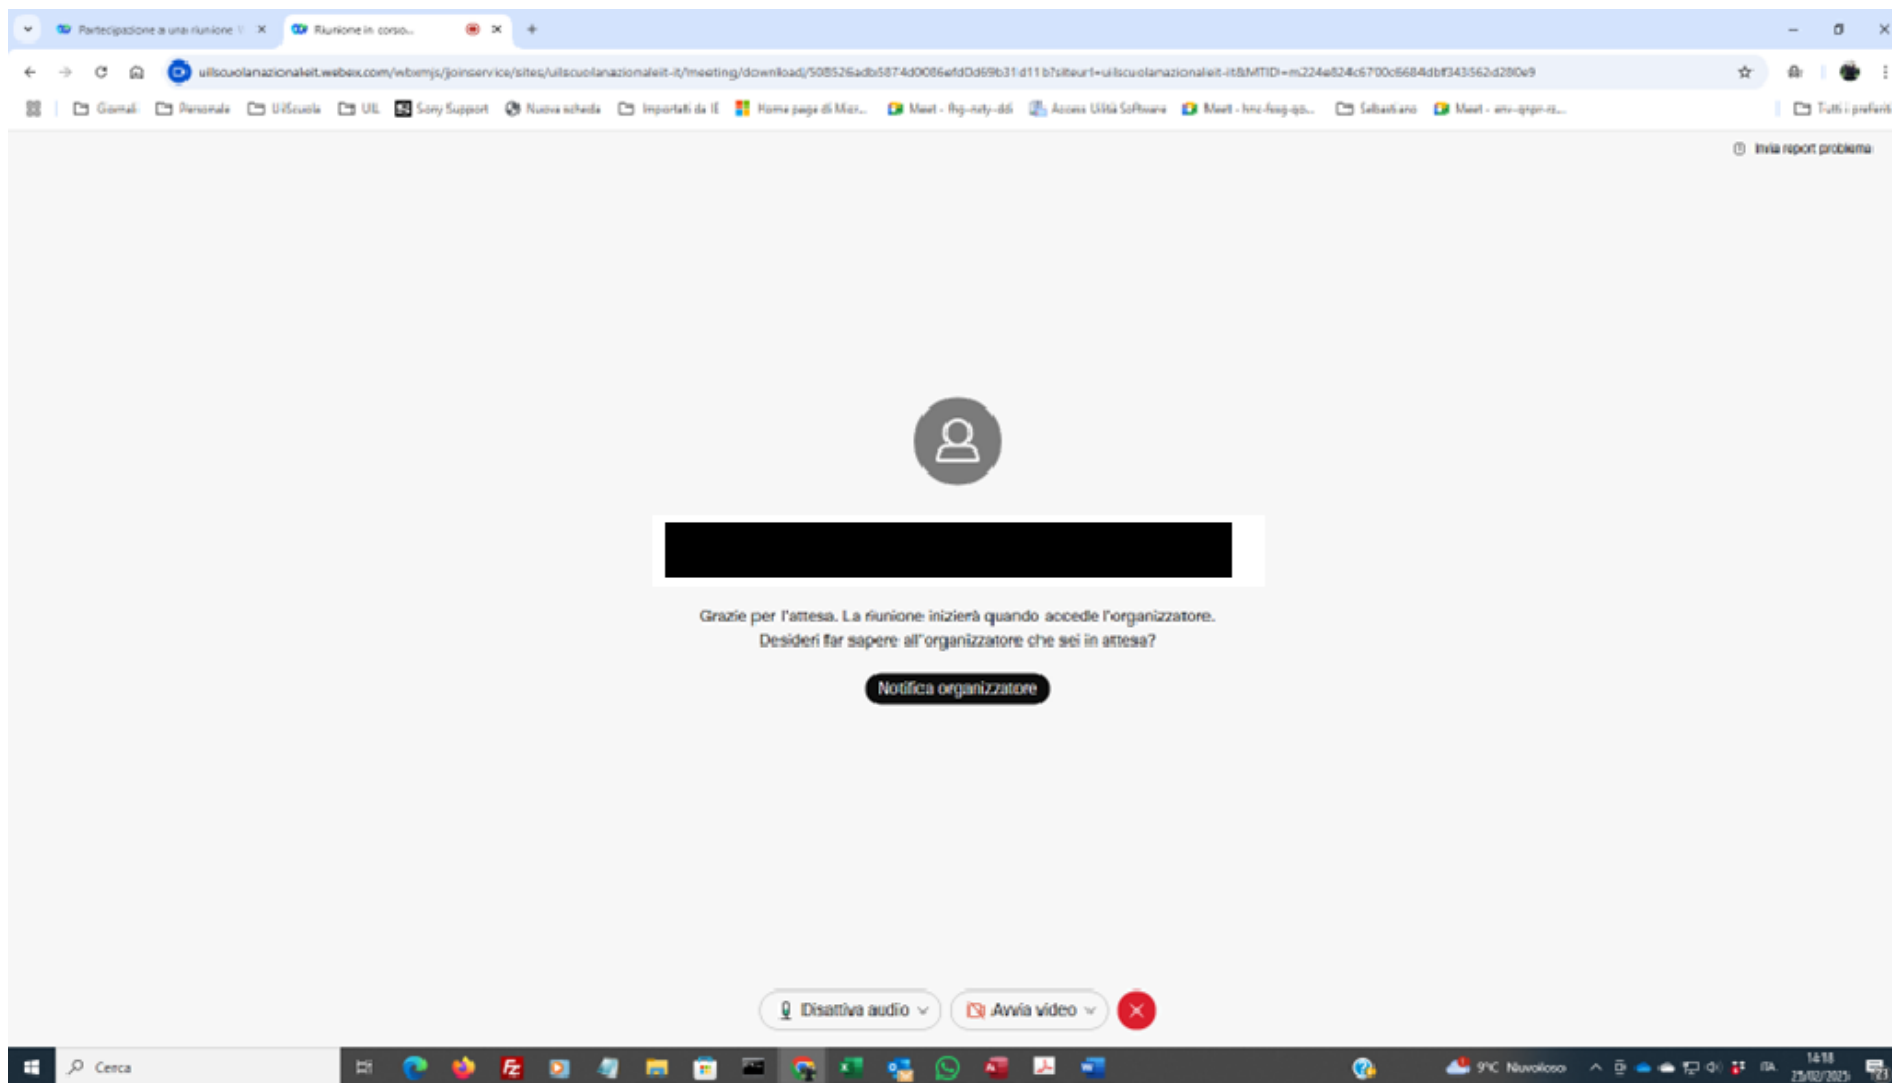

Fai clic su **Consenti** per consentire al tuo browser di accedere al microfono e alla videocamera in modo che gli altri possano sentirti e vederti nelle riunioni

Prima di continuare occorre fare clic su **consenti** per abilitare microfono e altoparlante. Quindi inserire il nome e l'e-mail e selezionare **Avanti**

Quindi seleziona **Partecipa alla riunione**

La riunione inizierà quando accede l'organizzatore
