Testo email

We are committed to supporting our preparation centres, teachers and learners so that they can continue learning in an online classroom. In this email we are sharing new digital posters with quick access to Cambridge English Qualification resources, our interactive teacher support pack, free Exam Boosters plus more.

Quick and easy access to exam resources

Our new digital posters help you to easily access exam resources and share student activities for each level. They're available for A2 Key for Schools, B1 Preliminary for Schools and B2 First for Schools.

Each digital poster includes:

- an exam preparation checklist
- activities that students can try at home
- teaching support and our teaching community.

Download them for free and start sharing these resources with your learners:

A2 Key for Schools

B1 Preliminary for Schools

B2 First for Schools

Our interactive support pack for teachers

We've created a free teacher support pack which brings together lots of useful resources to help teachers support their students at each stage of their learning journey.

From digital resources, games and exam preparation to teaching materials and support for parents, it's packed with ideas and tools to help your students learn wherever they are in the world.

Explore the pack

Resources to help teachers adapt to new ways of teaching

We have brought together our wide range of resources so that you can find the materials you need to support your teachers and students quickly, as you adapt to new ways of teaching.

Supporting Every Teacher features free teaching resources, information, webinars and a range of other online resources and support.

Discover our resources

Join our free teacher webinars

Our teacher webinars are a great way to stay up to date with the latest developments and interact with our experts whilst at home.

Discover our full webinar programme

We'll be adding more webinar sessions over the coming weeks to support teachers in an online classroom.

If you can't attend any of these sessions, a recording of each webinar will be available on our Cambridge English YouTube channel shortly after. You can also find other webinars from colleagues all around the world on this page.

Online Teaching Survey

We want to hear from you! Please let us know how you are managing online teaching during these difficult times.

Free Exam Boosters are ideal for home study

To help support teachers and students who are having to adapt to new ways of learning, you can now download each of our Exam Boosters for free.

Our Exam Booster series is perfect for self-study and allows learners to practise each part of the exam three times. Each book includes:

- '**Exam facts**' that provide practical information about each task
- '**Exam tips**' section offering advice on how to approach the exercises
- '**Get it right**' boxes highlighting typical candidate errors and how to avoid them.

Download our Exam Boosters for free and share with your learners:

A2 Key and A2 Key for Schools

B2 First and B2 First for Schools

B1 Preliminary and B1 Preliminary for Schools

C1 Advanced

It's not too late to join our award-winning teaching course

We are offering teachers the opportunity to join our free award-winning *Teaching English Online* course. During the 4-week course teachers will learn how to plan and deliver effective online English lessons.

Teachers can learn how to adapt their face-to-face teaching skills to an online environment and gain insights from online teachers and trainers, plus share ideas with other participants.

Join the course for free

We encourage you to share these resources with your teachers and learners to ensure everyone is supported in these challenging times.

During this time we'll be sharing more regular updates with resources to help you support your teachers and learners.

Best wishes,
Cambridge Assessment English
