At Cambridge, we are incredibly proud of teachers. They inspire children to engage in, and benefit from education so that they may go on to shape the world.

We're excited to announce that nominations are now open for the 2025 Cambridge Dedicated Teacher Awards. This is a wonderful opportunity to celebrate the incredible teachers who go above and beyond to make a difference.

We invite you to nominate a current primary or secondary teacher who has made a lasting impact, in everyday or exceptional circumstances, so we can say thank you together.
