

Comune di Reggio Emilia

Servizio Officina Educativa

**All'Attenzione di tutte e tutti i Dirigenti
degli Istituti Comprensivi
della città di Reggio Emilia**

The Municipality of Reggio Emilia is taking part in the "Scuole Aperte" (Open Schools) pilot initiative, promoted by the Emilia-Romagna Region and offered to a selected number of local authorities across the region, during the two weeks preceding the start of the 2026/2027 school year.

From **31 August to 14 September**, 15 **primary school** campuses across the city will open their doors to welcome children in Years 2, 3, 4 and 5, offering a wide range of educational, artistic and physical activities before the official start of the school year.

Participation is free of charge for families thanks to funding from the Regional ESF+ Programme 2021-2027 and additional regional funds allocated to the Municipality to cover organisational costs.

To register, please complete the dedicated online form using the link below **by 1 August 2026**.
