WORK EXPERIENCE

Present - BELL Beyond

This role consists of traveling to different schools to deliver high quality English lessons. The lessons cater to different learning methods and levels of English.

Sep' 2019 – Sep' 2022 - Educator at Phorms Education, a Private, Bilingual Kindergarten.

For over 2 years, I have worked in Germany as an English educator in a bilingual kindergarten. The age range is 9 months - 6 years.

I have worked on special programs, such as 'Big Kids' which is the equivalent of Reception which gets them ready for their first year in school.

We have our specific children (I have had 3-7 children at once) that we focus on to fill out portfolios, lead parents' meetings, and measure their development through the years.

Phorms Education is a well-known education chain owned by Lidl, Kauffman, and other companies that hold us to a very reputable high standard.

Nov' 2019 – Jan' 2021 - ESL teacher for PalFish Teachers.

This was a self-employed role where I worked online, teaching children in China.

The children were aged 2-13 years old. My role was to lead them through the slides and activities that were supplied by PalFish, following their very high standard of satisfaction for the children and parents.

2012 – 2019 – Various Childcare Jobs.

I have worked with children for the past 10 years looking after a range of ages from newborn to 12 year olds. I have worked as a babysitter, day career, helped with children's parties, etc.

Sep' 2016 – Oct' 2016 – Au Pairing in Italy.

I looked after a 4 year old girl every weekday from 7am-5pm, taking her to

school, cooking for her, taking her on day trips, and completing at-home activities.
